

The Fairways Village Pool Facility

Pool News

Dear Fairways Residents:

Warmer weather is coming soon and on May 20, 2017, the Fairways Village pool will be opening for the season. The pool is available to all unit owners in good standing, and tenants with a properly executed lease. Enclosed, you will find the pool rules and fees for guest use of the pool.

The rules reflect input from the Fairways Council as well as recommendations from the 2014 pool committee. The pool committee was comprised of 6 to 8 volunteer members of the Fairways Village community not on Council.

Important Things to Know for 2017

- Aquatic Watch is our pool management company responsible for the daily maintenance of the pool area.
- Aquatic Watch reports directly to Acri Commercial Realty. If there are any complaints or concerns, please notify Cindy Clifton @ 412-459-0111 Ext 105 or cindy_clifton@acirly.com.
There are to be no calls of any kind from residents to Aquatic Watch.
- *The pool will be unattended on Mondays.* Please note: All pool rules still apply. With the exception of Mondays, Aquatic Watch will provide a "pool attendant" during normal operating hours.
- The "pool attendant" will enforce all Fairways pool rule and policies regarding entrance to the pool, guest and fees, and safety issues.
- Pool Passes: New pool passes will be issued every year. Every year will be a different color. The "pool attendant" will issue you a pass with a Photo ID the first time you visit the pool.

Any prior pool passes will not be honored.

Please enjoy your summer and your neighbors at the Fairways Village pool. It's a beautiful facility.

Sincerely,

Cindy Clifton, Property Manager
Acri Commercial Realty, Inc.
